

YOUR INTERESTS FIRST

Is your plan advisor putting your interests first?

Many plan advisors pad their profits with kickbacks, incentives, or other tactics that benefit them and not you.

We only offer services and solutions that put our clients first. Our clear and transparent fee structure ensures that we never make profits off commissions or hidden fees.

Investing in securities involves the risk of loss. Past performance is no guarantee of future results. Intended for use by employers considering or sponsoring retirement plans; not for personal use by plan participants.

Bringing transparency to fee structures

Plan advisors who revenue share create a complicated system with many conflicts of interest.

FISHER NEVER ACCEPTS COMMISSIONS OR REVENUE SHARING.

As a fiduciary, Fisher always puts your interests first
